

**CERTIFICATIONS**

1 - 1

**FSC™ FOREST MANAGEMENT CERTIFICATION**

Certified by the Forest Stewardship Council (FSC®), it ensures that our wood comes from forests that have been assessed and certified as being managed according to proper social, economic and environmental standards.

**ISO 9001**

Internationally approved, it certifies our quality management systems (QMS), which document the processes, procedures and responsibilities involved in achieving quality policies and objectives.

**ISO 14001**

It measures our commitment to environmental responsibility, focusing on the impact of our business, our products and the services we use. A challenge that gave us the opportunity to demonstrate our commitment to the environment.

**ISO 45001**

It endorses our Occupational Health and Safety Management System (OHSMS), its implementation enabled us to protect our human resources from day-to-day obstacles, promoting continuous improvement.
